Gabriela Noelle

Gabriela Noelle's *Imaginary Friends* explore tangible expressions of a child's limitless subconscious. They reflect the idea that our dreams or "make-believe" can manifest into real forms when liberated from the conditioning and doubts of adulthood. They are playful, mischievous, loving, and travel in tribes. This work is constructed from hand dyed Tibetan lamb, varied rope and paracord, laser cut acrylic, waterjet terrazzo, polished acrylic rod, stained wood, powder coated stainless steel, and recycled HDPE.

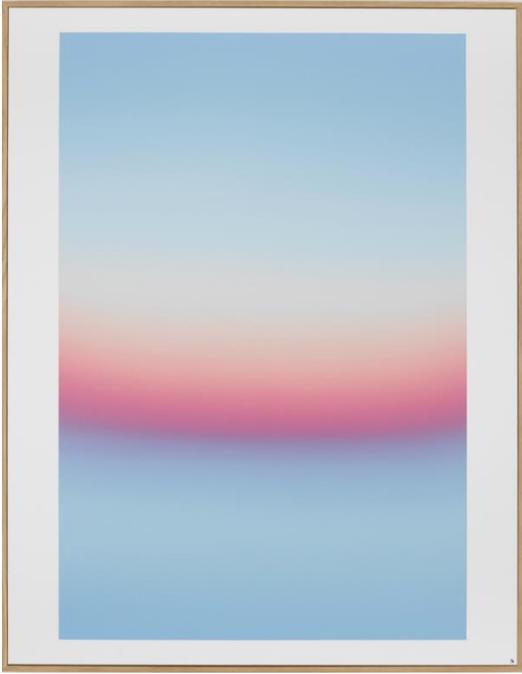

**Materials:**

Hand dyed Tibetan Lamb and Australian Shearling, varied rope and paracord, laser cut acrylic, waterjet terrazzo, polished acrylic rod, stained wood, powder coated aluminum, recycled HDPE, Swarovski crystal
